message server synchronization request wait

[Advanced Patent Se](#)
[Google Patent Searc](#)**Patents**Patents 1 - 3 on **message server synchronization request wait deferral time**. (0.16 seconds)« [View all web results for message server synchronization request wait deferral time](#) [Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)**System and methods for a fast and scalable synchronization server**

US Pat. 6625621 - Filed Dec 14, 2000 - Starfish Software, Inc.

C. The Baseline Sync **Server** Supports Linear **Message** Processing As can be ...
may have to **wait** a relatively long **time** to receive an acknowledgment of the ...**Deferred reconstruction of objects and remote loading for event notification ...**

US Pat. 6272559 - Filed Mar 20, 1998 - Sun Microsystems, Inc.

RFC thus involves two **message** transfers, and the **synchronization** of the two ...
a **wait** state during which it waits for a response from the **server** program. ...**Reorder assistance notification of near end-of-life consumables and method**

US Pat. 7106460 - Filed Dec 8, 2000 - Hewlett-Packard Development Company, L.P.

is described in owner: priority, return receipt **request** status, remind before- US
... the is carried out via a **server** or exchange **server**. electronic **message** ...
